Thank you everyone for your comments and quick review. I tried to address all pending comments, as well as other items we discussed yesterday. I believe it's at point to start cleaning up for Brian's review if there are no further comments. Please take a quick look and see if you believe your comments were adequately addressed, or if there are additional changes you would like to make.

I will target to send to Brian tomorrow by COB. Please let me know if you have additional edits.

Thanks again,

Eric
